2. General Budget Development System

The sections below outline the general interactions that a user will have with the Budget Development System.

2.1. Accessing the Budget Development System

- To access the Unity Client, the user must first log into the multi-factor log in page at <https://gateway.sc.gov/>. You may be required to download Citrix. See Downloading Citrix section for instructions.

The screenshot shows a login interface with a dark blue background. On the left is the 'admin' logo for 'THE SOUTH CAROLINA DEPARTMENT of ADMINISTRATION'. On the right, the title 'Multi-factor Login Page' is at the top. Below it are input fields for 'User name' and 'Password'. A checkbox labeled 'Check here to login and accept the' is followed by a link to 'Terms & Conditions'. At the bottom right is a 'Log On' button and a link to 'Manage Your Password'.

- After the user has logged in, the user will be required to two-factor authenticate with DUO.

The screenshot shows a Duo authentication page. On the left is a sidebar with the 'SC EIS' logo and links for 'What's New?', 'Add a new device', 'My Settings & Device', 'Help', and 'Powered by Duo Security'. The main area is titled 'Choose an authentication method' and lists three options: 'Duo Push app on your phone' with a 'Send Me a Push' button, 'Call Me' with a 'Call Me' button, and 'Passcode' with an 'Enter a Passcode' button.

- If you get the following error message, see the section below for the instructions for Registering with Duo.

We're sorry, access is not allowed because you are not enrolled. Please contact your organization's IT help desk for assistance.

- Once logged on, the Citrix page with OnBase will appear.
- To access the Unity Client the user will click on the OnBase Production Unity logo.

- If you see this logo instead, it is likely that you logged on using your SCEIS User ID. Please log off and log back in using your EBO BDS assigned User ID.

- When you double-click the OnBase icon or click “Open”, you will come to this screen. Select OnBase Production – Auto Login from the drop-down and you will be directed to OnBase. You do not need to put your credentials in again.

- This is the screen the user should see when logging in for the first time.

- To access the EBO Budget Development System, the user will click on the EBO Budget Management Tab and then click on the filters icon.

- The user will then see the list of available filters based on their user group(s).

2.2. Custom Configuration

The first time a user accesses the EBO Budget Development System, the user may want to configure the system to make the EBO Budget Development System their Home Page (i.e. the first screen the user will see each time they log in).

- To make the solution the user's permanent Home Page, go to the Home Tab and click the small black arrow under the house and choose Make this layout my Home Page.

2.3. Downloading Citrix

Please note that Citrix Workspace must be installed to use the gateway. To install Citrix Workspace, follow the steps provided below. You may need to contact your IT department to assist.

1. Click the **Detect Receiver** to allow Citrix to check your workstation to determine if Citrix Workspace is installed.

2. If Citrix Workspace is already installed on your workstation, the "Application Shortcut" screen will display within a few moments.

3. If Citrix Workspace is not installed, you will be prompted to install the application.
4. Check the box next to the Citrix license agreement notice, then click **Install**.

5. Click **Save**.
6. When the download completes, click **Run** to install the Citrix Workspace app.
7. If prompted for permission to install Citrix workspace, click **Yes**.

8. Click **Start** to proceed.

9. Check the "I accept the license agreement" box, then click **Install**.

10. Check the Enable Single Sign-on box, then click **Install**.

11. When the Installation Successful window appears, click **Finish** to close.

2.4. Registering with Duo

Navigate to the <https://sceismfa.sc.gov> DUO Registration site. Note: You must be on a state network (connected in the office or are using the VPN to log into the network to access this site).

The image shows a login interface for the SCEIS (SC Enterprise Information System) on a dark blue background. On the left is the SCEIS logo, which includes a white crescent moon icon and the text "SCEIS SC ENTERPRISE INFORMATION SYSTEM THE SOUTH CAROLINA DEPARTMENT OF ADMINISTRATION". To the right of the logo, the text "Login Step 1" is displayed. Below this, there are two white input fields: the first is labeled "User name" and the second is labeled "Password". A blue button with the text "Log On" is positioned below the password field. At the bottom right, there are two links: "Password Management Instructions" and "Manage Your SCEIS Password".

Enter your EBO Budget Development System User ID and Password.

You should be presented with the two-factor setup screen. Click Start Setup

Select the type of device you are adding. Usually this will be the Mobile phone option to register your work assigned phone.

2.5.Changing a Password

Click the Manage Your Password link on the log on page or navigate to <https://scpasswordreset.sc.gov/PMUser> to change your password. If you are a new user, you may be prompted to change your password on your first log on.

The image shows a 'Multi-factor Login Page' for the South Carolina Department of Administration. It features a dark blue background with the 'admin' logo on the left. On the right, there are input fields for 'User name' and 'Password'. Below these is a checkbox labeled 'Check here to login and accept the' followed by a link to 'Terms & Conditions'. At the bottom right, there is a 'Log On' button and a link to 'Manage Your Password'.

On the Password Management site, you will enter your EBO BDS OnBase assigned User ID (not your SCEIS User ID).

The image shows a 'Enter Your User Name' form. At the top, it says 'admin The South Carolina Department of Administration'. Below that, it says 'Enter Your User Name'. There is a text input field with the placeholder text 'Enter your user name (for example, domain\username or username@domain):'. The field contains the text 'ebo.analyst1'. At the bottom right, there is an 'OK' button.

You will have a few options for password management. You will need to complete the series of questions asked in order to gain access to change your password or have it reset if you have forgotten your password.

2.6.Common OnBase Buttons

- **Magnifying Glass:** The Magnifying Glass represents the field that has a database look up associated with it. Click on  icon to see a list of available inputs or start typing an input and select it from the drop down that appears.
- **Pencil:** The Pencil Icon is used when editing data in a table. To begin editing click on the  icon. Once the user is finished editing the data, they will click the pencil icon again to lock in their changes.
- **Save:** If the user sees the  icon in the ribbon the user can click on it to save what they are working on and come back to it later. To access the data later navigate to the appropriate filter it is stored in.

3. Agency Role

The sections below outline the interactions that an agency user will have with the Budget Development System.

3.1.Form Packet

The sections below serve as a guide to creating a form packet, filling out budget forms, and submitting a from packet.

3.1.1. Creating a Form Packet

- To create a form packet for the new budget year, the agency user will navigate to the EBO Budget Management Tab and click on the Form Packet button.

- The Packet Information tab will be auto filled based on the current budget year and the top agency the agency user is assigned to. The user can click on the magnifying glass under agency name to select a different agency if the user is assigned to multiple agencies, this will auto fill Agency Code and Agency Section.

3.1.2. Filling out Budget Forms

- Form text fields allow for formatted text.

- To fill out a form B1, B2, C, or D Form click the '+' icon in the table.

- Some forms will have a table input like the one below. To add rows to the table, click the '+' icon.

The screenshot shows a web form titled "Factor Name". It contains a large table area. In the top right corner of the table area, there is a small green square button with a white plus sign (+) inside, which is highlighted with a red box. This button is used to add new rows to the table. The table itself is currently empty. At the bottom right of the form, there is a "Show 100 records" link.

- If the user creates a B1, B2, C, D that form will enforce the required fields to be filled out to submit the form packet.
- All printable PDF or Word forms will have a header at the top of the document.
