Has this project required a previous increase in any student fee or tuition?

Does the fund source used to complete this project include any Student Fee?

Is a student fee used to fund debt service?

Provide a five-year history of each component within the institution's tuition and fee structure designated or utilized for permanent improvements. Identify the tuition or fee component per student, per semester; the total revenue collected during the academic year; and the fund balance at fiscal year-end, all delineated by academic year. Include a projection for the ensuing academic year, and any future academic years in which the fee is projected to increase. In the table below enter the five-year history of each applicable fee by academic year. The document generated can be modified to separate each fee and add the fee name before saving the document.
