Design	$20,000.00	Data Collection & Easement Plat Preparation
Design	$51,000.00	Design Services
Design	$13,000.00	Permitting
Design	$12,000.00	Bidding Support
Design	$70,000.00	Construction Phase Services
Grand Total	**$240,000.00**	

Please explain how these funds will be used to provide a public benefit:

Anderson County in partnership with the Town of Pelzer seeks funding to produce a scoping study and drainage improvement plan to help mitigate severe flooding in the Town's Lower Mill neighborhood. For several years, the residents of the Lower Mill community in the southern portion of Pelzer have been impacted by flooding, and the flooding appears to have grown in frequency and severity over time. The flooding is thought to be caused by the improper alteration of ditches and other watercourses since the initial development of the neighborhood more than 70 years ago. The Lower Mill neighborhood is almost entirely residential, with around 200 people residing in 92 dwelling units. The flooding is especially severe in the portion of the neighborhood defined by Adger, Lyman, and Dillon streets.

Organization Certifications

1) Organization hereby gives assurance that no person shall, upon the grounds of race, creed, color, or national origin, be excluded from participation in, be denied the benefit of, or be otherwise subjected to discrimination under any program or activity for which this organization is responsible.
2) Organization certifies that it will provide quarterly spending reports to the Agency Providing Contribution listed above.
3) Organization certifies that it will provide an accounting at the end of the fiscal year to the Agency Providing Contribution listed above.
4) Organization certifies that it will allow the State Auditor to audit or cause to be audited the contributed funds.
