GENERAL PROVISIONS

1. **BIDDERS' QUALIFICATIONS:** Bidders must, upon request of the State, furnish satisfactory evidence of their ability to perform in accordance with the terms and conditions of these specifications. The Surplus Property Office reserves the right to make the final determination as to the bidder's ability to perform as requested herein.
2. **BIDDERS' RESPONSIBILITY:** Each bidder shall fully acquaint himself with conditions relating to the scope and restrictions attending the execution of the conditions of this bid. It is expected that this will sometimes require on-site observation. The failure or omission of a bidder to acquaint himself with existing conditions shall in no way relieve him of any obligation with respect to this bid or to the contract.
3. **SPECIFICATIONS:** Any deviation from specifications indicated herein must be clearly pointed out; otherwise, it will be considered that the prices offered are in strict compliance with these specifications, and the successful bidder(s) will be held responsible. Deviations must be explained in detail on separate attached sheet(s).
4. **REJECTION OF BIDS:** The Surplus Property Office **reserves** the right to reject any and all bids, and to waive technicalities. Ambiguous bids which are uncertain as to terms, price or compliance with specifications may be rejected or otherwise disregarded.
5. **AWARD CRITERIA:** Award shall be made to the highest responsive and responsible bidder who submits a bid that is most advantageous to the State.
6. **NO SALE PROCEDURE:** When bids received pursuant to an invitation to bid are unreasonable and are certified as being too low to accept by the owning government body or the Surplus Property Office (SPO), and the State Property Manager determines that time or other circumstances will not permit re-solicitation, a contract may be negotiated provided that:
 - a. Each responsible bidder who submitted a bid under the original solicitation is notified of the determination and is given reasonable opportunity to negotiate.
 - b. The negotiated price is higher than the highest rejected bid by any responsible and responsive bidder under the original contract.
 - c. If positive results are not obtained by this method, then SPO will solicit additional bids from any interested party and award to any responsive and responsible bidder as long as the negotiated price is higher than the price offered by the initial highest bidder that was rejected.
 - d. If none of these above are successful, then SPO will re-bid at a later date.

7. **AUTHORITY TO DEBAR OR SUSPEND:** Your current and future participation in public auctions is subject to the laws governing debarment and suspension, Section 11-35-4220 of the South Carolina Consolidated Procurement Code of Laws authorizes the Materials Management Officer to suspend and debar any person or firm from participation in the public sale of state-owned property, {(SC Code Ann. Regs. 19-445.2150(J)}. This statute also outlines the process used for debarment and the reasons for which someone may be debarred. A copy of the Section 11-35-4220 is available upon request. Reasons for debarment or suspension includes, but is not limited to the following:
1. Failure to pay for all items awarded.
 2. Failure to remove all items awarded and paid for from state property within the time allowed.
 3. Deliberate failure without good cause to perform in accordance with specifications or within the time limit provided in the contract.
 4. Any other cause the Materials Management Office determines to be so serious and compelling as to affect responsibility as a state contractor.
8. **WAIVER:** The State reserves the right to waive any General Provisions, Special Provisions, or minor specification deviations when considered to be in the best interest of the State.

TERMS AND CONDITIONS

1. Upon award of contract under this bid, the persons, partnership, association, or corporation to whom the award is made must comply with the laws of South Carolina which require such persons or entity to be authorized and/licensed to do business in this State. Notwithstanding the fact that applicable statutes may exempt or exclude the successful bidder from requirement that it be authorized and/or licensed to do business in this State, by submission of this signed bid, the bidder agrees to subject itself to the jurisdiction and process of the courts of the State of South Carolina as to all matters and disputes arising or to arise under the contract and the performance thereof, including any questions as to the liability for taxes, licenses or fees levied by the State.
2. The property is offered for sale “AS IS” and “WHERE IS” and “ALL SALES FINAL” at the point indicated in this bid invitation. No guarantee of its description, condition, or value is given and those submitting bids are expected to examine the property and determine for themselves information they desire concerning it. Surplus Property Office reserves the right to withdraw items from the sale.
3. Waiver of all liability from the State of South Carolina for loading and property removal. The successful bidder will be liable for any and all damage or harm that may take place during the handling, loading, and removal of property awarded to that bidder. In addition, the successful bidder shall indemnify, defend and save harmless the State of South Carolina, The Department of Administration, SC Law Enforcement Division and their representatives from any and all liability arising out of the successful bidder’s acts or omissions including the failure to secure adequate insurance coverage. Pursuant to Section 30-2-40(B) of the S.C. Code of Laws, information collected by and/or provided to the Department of Administration may be personal information as defined by “The Family Privacy Protection Act of 2002” (S.C. Code Section 30-2-10 et seq.) and subject to public scrutiny or release pursuant to FOIA or media request.
4. In the event that tie bids are received, the Surplus Property Office reserves the right to break the tie by the flip of a coin.
5. The State’s responsibility for the property offered by it ceases with its award to the successful bidder(s), but reasonable precaution will be taken to insure delivery of the property in practically the same condition at the time of release as at the time of examination.
6. Successful bidder(s) must pay for and remove **ALL** items awarded. The successful bidder(s) has no option to reject certain items. If rejection does occur by the successful bidder(s), he will be subject to debarment or suspension as outlined in #7 under General Provisions.

7. Successful bidder(s) will be notified on opening date. **Full Payment** must be paid by certified funds (payable to the State of South Carolina) within (5) days of Notice of Award. Failure to adhere to this payment procedure will then render the Award null and void. The successful bidder(s) loses his/her right to the award and will be subject to debarment or suspension as outlined in #7 under General Provisions.
8. The successful bidder(s) or his accredited agent will be responsible for the removal of the property at his expense within ten (10) days of the Notice of Award, otherwise, title to the property reverts to the State of South Carolina with no refund and successful bidder(s) will be subject to debarment or suspension as outlined in #7 under General Provisions.
9. The 5% South Carolina MAX sales tax will be required when payment is made. The tax will be computed and added on the Notice of Award to be mailed to the successful bidder(s). The only exception to this requirement is when dealers purchase the property for resale. In such cases bids must be accompanied by an affidavit stating that the property is being purchased for resale. Dealer's license number (issued by the State Tax Commission) must appear on the affidavit.
